

# Merry Christmas and a Happy New Year

Staff at Endeavour Academy would like to take this opportunity to tell you that we have all immensely enjoyed our first term and are very happy and impressed with how well all the learners have done this year. We hope that you all enjoy this time off and have a fabulous Christmas and a happy new year!

## Vocational Experts!

We are extremely lucky to be able to offer some fantastic vocational courses, these include Bricklaying, Painting and Decorating, Catering, Hair and Beauty, Joinery and Sport. All the learners have been able to learn a multitude of skills that will be beneficial in the workplace, when they move on from school.

Below are some images from some of the work created in vocations over the past term. The students have worked incredibly hard and we are so proud of what they have achieved!

## Our Very Merry Christmas Dinner

Many of our students and staff enjoyed a delicious Christmas meal provided by the college cafeteria. We were all given the chance to let out our competitive sides with a festive quiz, topped of with some crackers and a lovely chocolate sponge cake and custard.

## A Science Adventure

Our amazing Science teacher, Dr Cornish along side with our fabulous learning mentor Miss Brewer and lovely student teacher Miss Ellerington decided to take a small group of students to visit the Hancock museum in Newcastle. The day went down an absolute treat and everyone who was involved really enjoyed it. We hope to be able to take the learners out on more trips in the future.

## **Important Information:**

School will end at 12.30pm 20<sup>th</sup> December 2019 and will  
reopen Monday 6<sup>th</sup> January 2020.

Wishing you a very merry Christmas and all the best for  
2020!
