Making a Change?

The Academy is working hard to ensure students have a say in school – the student council applications are in and we are just waiting on the results!

This years after school clubs...

The staff will be running after school clubs for the learners and we are positive that there will be something that your child will like the idea of!

The start dates and days are to be confirmed:

Drama Club
Book Club

Positive Attitudes- this is bookable by learners and parents/carers

Chess Club

Earn as you learn

Each student has an opportunity to earn up to 2 points per lesson. Points are awarded for positive behaviour and attitude and linked with attendance. The points are accumulated throughout the week.

Points = Rewards

Rewards can include breakfast club items, school stationary, reward time and exciting school trips.

Endeavour Echo!

To encourage reading throughout the school a newspaper has been launched, weekly that will have some age appropriate news in and will hopefully entice the learners to pick it up and have a quick read.

We also encourage learners to read more at home!

Thirsty?

In the battle against plastic bottles Endeavour strongly encourage learners to bring in their own reusable water bottle to fill up at our water fountain in school.

Break Time 9.40am - 9.50am

Here at Endeavour we have a break mid-morning. Buttered toast is provided daily for anyone who would like some and recently we have started to run a tuck shop. The tuck shop provides healthy snacks, and bottles of flavoured water

50p per item!

The learners at Endeavour are going to be taking part in the Macmillan Coffee morning!

You're Invited!

Tuesday 1st October

9:00am - 9:50am

Providing a safe, enjoyable comfortable learning environment for our learners is our top priority so please help us by keeping your family situation, address and contact details up to date.

Staff would like to thank you for taking the time to read this newsletter. We ask that you record the key dates and contact the mentor responsible for your child's tutor group school if you have any queries.

We look forward to working with you and your child this coming year.
