

# ENDEAVOUR ACADEMY

OCTOBER 2021

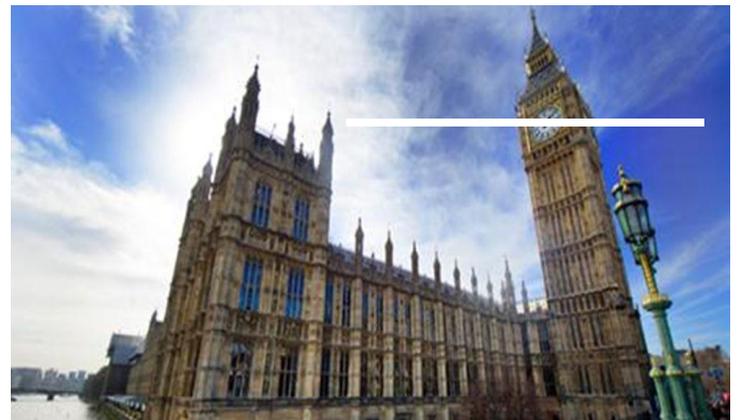

## Science

Dr Cornish has been working with our budding scientists and they have been super busy:

- Dr Cornish has been working with our budding scientists and they have been super busy:
- They've explored variation and biodiversity right here on our school field.

## London

As part of our GCSE Citizenship course, we have been given the opportunity to take a small group of learners to London **Monday March 14<sup>th</sup>, 2022**. The places are limited so if your child is interested please get in contact with your learning mentor to let us know. Further information will be given out in the coming weeks.

## BLACK HISTORY MONTH

## Black History Month

All throughout October, we are celebrating Black History Month here at Endeavour Academy. a month to celebrate the continued achievements and contributions of Black people to the UK and around the world. It's also a time for continued action to tackle racism, reclaim Black history, and ensure Black history is represented and celebrated all year round. Students are enjoying learning about the alternative history of the UK.

## Careers

Yr 11 Careers Meetings are planned to take place w/c 8<sup>th</sup> November. We understand that some parents have preferred having meetings via TEAMS as this can cut down on the travel and allow more to attend. Miss Brewer will be in touch to organise these meetings.

## Parents Evenings

Yr 11 Parents Meetings will take place in November, parents will be offered the opportunity to attend in person or via TEAMS. Appointments will be sent out after half term via School Ping.

## Head Teachers comments:

It has been a very busy start to the new academic year, we have welcomed many new faces into our Endeavour family, and we have managed to catch up with last year's leavers who dropped in to see us know they are attending college. Many parents and students are asking about the GCSE examinations processes for 2022; now we have been told GCSE exams will take place in May and June 2022, with results due to be released on Thursday 25th August, there will be a choice of topics on which students will be assessed for subjects such as English Literature with formulae sheets issued for Maths and Science. We will of course keep you all up to date with any news as we receive it.

Have a fabulous half term break.
